1. Participant starts at a halt facing left wall of arena where “Start Here” is indicated. Start video, after 3-5 seconds announce participant and participant begins Step 2.
2. From the starting point begin pattern at a walk to left side of arena.
3. Turn right and walk over logs.
4. Walk straight ahead toward center of long side, then turn right toward center of arena.
5. Halt in center of arena for 3-5 seconds. Continue at a walk and turn left at rail.
6. Continue at a walk around far corner then trot along short side of arena.
7. Return to a walk before corner, continue walk toward center of long side and turn left toward center of arena as shown.
8. After turn pick up the trot and trot across center of arena.
9. Return to a walk before turning right at the rail. Continue at a walk through corner as shown.
10. After corner, halt and back 4 steps. Walk forward to center of short side of arena and halt. (Video ends 6-8 seconds after halt.)

*Use approximately 80x120 ft of arena space for pattern. Logs are set approximately 3 feet apart.
*Pattern may be called.
