

1. Begin video as participant walks toward Cone A as shown. Do not halt at A. Be sure that walk to A is ~ 5 seconds long.
  2. Canter on right lead from Cone A to Cone B.
  3. Posting trot around Cone B on left diagonal.
  4. Canter on left lead from Cone B to Cone C.
  5. Posting trot around Cone C on right diagonal.
  6. Sitting trot from Cone C to Cone D.
  7. Halt at Cone D. Back 4 steps.
  8. Walk forward and proceed to rail. Perform a walk, posting trot, and canter on the rail both directions including one reverse at the walk. Walk ~10 seconds, posting trot ~ 10-15 sec, and canter ~10-15 sec both directions. Halt along rail after all gaits are shown. Video ends 8-10 seconds after halt.
- \* Distances between Cones A to B and B to C should be 50-60 feet. Distance between Cones C to D should be 25-30 feet. Cones may be labeled with letters.
- \*Pattern may be called. No coaching allowed.
- \*Video should be one continuous take.
