

1. Begin video as participant walks toward Cone A as shown. Do not halt at A. Be sure that walk to A is ~ 5 seconds long.
 2. Extended walk from Cone A until halfway to Cone B.
 3. Halfway to Cone B posting trot on left diagonal.
 4. Circle Cone B continuing posting trot
 5. Extended posting trot from Cone B toward C as shown.
 6. Return to working trot and change to posting on right diagonal before Cone C.
 7. Circle Cone C in posting trot.
 8. Sitting trot from Cone C to Cone D.
 9. Halt at Cone D. Back 4 steps.
 10. Walk forward and proceed to rail. Perform a walk and posting trot on the rail both directions including one reverse at the walk. Walk ~10 seconds, and posting trot ~ 10-15 sec, both directions. Halt along rail after all gaits are shown. Video ends 8-10 seconds after halt.
- * Distances between Cones A to B and B to C should be 50-60 feet. Distance between Cones C to D should be 25-30 feet. Cones may be labeled with letters.
- *Pattern may be called. No coaching allowed.
- *Video should be one continuous take.
