1. Participant starts at a halt facing left wall of arena where “Start Here” is indicated. Participant begins pattern 3-5 seconds after video begins.
2. From the starting point begin pattern at a walk to left side of arena.
3. Walk over logs.
4. Trot toward center of long side, then turn right toward center of arena.
5. Halt in center of arena. Perform a pivot to the right, and then a pivot to the left.
6. Walk 6-8 steps then jog.
7. After turning left begin extended trot. Continue extended trot around far corner of arena.
8. After corner pick up left lead lope.
9. Near center of short side of arena extend the canter. Continue extended canter around corner.
10. Return to lope before turning toward center of arena.
11. At center of arena perform a simple lead change as indicated by the X.
12. Lope on right lead and turn right.
13. Drop to the jog as shown and continue around corner of arena.
14. After corner, halt and back 4 steps. Walk forward to center of short side of arena and halt. (Video ends 8-10 seconds after halt.)

*Use entire arena space for pattern. Logs are set approximately 3 feet apart.
